\* The sidewalk adjacent to the south side of Stewart Avenue is designated as a pedestrian path

## DEVELOPMENT STANDARDS

*Pursuant to Title 19.10, the following parking standards apply:*

In addition to Rule 1916, the following parking standards apply:

Parking Requirement							
Use	Gross Floor Area or Number of Units	Required			Provided		Compliance
		Parking Ratio	Parking		Parking		
			Regular	Handi-capped	Regular	Handi-capped	
Shopping Center (25,000 SF – 350,000 SF GFA)	39,470 SF	1/250 GFA	158	6	180	10	
TOTAL			164		190		Y*

\* Under Title 19.04, a shopping center use is defined as “Any structure or group of structures that: (1) House any assemblage of various commercial tenants, including without limitation, retail uses, personal service uses, food service uses, and other ancillary uses; (2) Have a minimum combined gross floor area of 25,000 square feet and a maximum combined gross floor area of 350,000 square feet; (3) Are located upon a single parcel of land or upon contiguous parcels of land; and (4) Have common vehicular access and parking facilities.” This development is deemed a shopping center use and parking is calculated for the overall development not each individual use.

**January 10, 2008 - Planning Commission Meeting**

## **ANALYSIS**

- **Zoning**

The subject property is zoned C-1 (Limited Commercial). The C-1 (Limited Commercial) District is intended to provide most retail shopping and personal services, and may be appropriate for mixed use developments. This district should be located on the periphery of residential neighborhoods and should be confined to the intersections of primary and secondary thoroughfares along major retail corridors. The C-1 District is consistent with the Service Commercial and the Neighborhood Center categories of the General Plan.

- **Use**

The proposed use as a Bail Bond Service requires a Special Use Permit within the C-1 zone. If approved, this application for a Special Use Permit would fulfill that requirement.

- **Landscaping**

The landscaping currently on site within the existing shopping center is not in conformance with the landscape plans approved by Planning 01/20/88. As the inline shops south of the proposed Bailbond Service use recently experienced fire damage to more than fifty percent of the building, Planning has placed a requirement on the property owner to submit revised landscape plans and bring the landscape in to compliance with Title 19 standards in conjunction with the reconstruction of the inline shops.

- **Conditions**

There are no special conditions associated with this Special Use Permit request.

## **FINDINGS**

The following findings must be made for a Special Use Permit:

- 1. “The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.”**

The proposed use is compatible with neighboring commercial retail and civic uses and future land uses projected by the General Plan.

**SUP-25570 - Staff Report Page Five**  
**January 10, 2008 - Planning Commission Meeting**

2. **“The subject site is physically suitable for the type and intensity of land use proposed.”**

The proposed use will be established within an existing shopping center which is currently being rebuilt south of the proposed use due to previous fire damage.

3. **“Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.”**

Existing streets and roads adequately serve the project location and the proposed use will not adversely affect operations of the road infrastructure.

4. **“Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.”**

The proposed use will not negatively affect human health and public safety or be inconsistent with the goals of the General Plan.

5. **The use meets all of the applicable conditions per Title 19.04.**

The proposed use adequately addresses all Title 19.04 conditions for Bailbond Services.
